Villages, Govt agreed with the opinion expressed by the Offg Senior Surgeon in that case that Hospl Asstts should not be permitted to leave their dispensaries on weekly visits to villages. The Senior Surgeon does not appear to have yet issued orders to the Hospl Asstt at Chellakere to cease visiting Kaikanhally &c fiestion

The President states that no appreciable good is gained by patients from these brief and hurried visits of the Hospl Asstts, and that he is therefore anxious to introduce and try the new scheme of appointing Pandits in one or two places in the District, and accordingly proposes the appointment of a Pandit on Rs 10/- for the village of Kaikanhally as a qualified Pandit has applied to begin for such a post. The Dist. Board (building) have resolved in their meeting that the monthly cost of the Vaidyasala at Paikenhatta may be as follows:-

	Rs.
Pay to the Pandit --	12—0—0
Contingencies	4—0—0
Servant	4—0—0

The source from which this monthly cost may be met is stated to be Rs 100 provided under the head "III Civil charges IX Miscellaneous (7) other items". ~~Submitted with a draft sanctioning the appointment of a med. man (a native pandit).~~ This involves a recurring MCS charge and Branch II has to be consulted. 13/1/08 The financial condition of this District Board is given below:—

Opening balance on 1st July 1907. as per final accounts of the Comptroller.	19,584
Estimated receipts	73,884
Total	93,468
Deduct probable expenditure	92,842.
Estimated Balance	Rs. 586

Sir,

With reference to Government Proceedings No. 10590-602 / med 297-06 dated 13th may 1907 stating that it is under contemplation of Government to appoint in villages native Pandits or Hakims who have received training and obtained certificates of proficiency in the Ayurvedic System of medicine, from the Head of the Indigenous Hospital at Mysore, instead of the Weekly visits by Hospital Assistants, as it is at present done, I have the honor to invite kind reference to this office No. 69 dated 10-8-1907 and to state that the village of Naikanhatti in the Chellakere Taluk is now visited weekly by the Hospital Assistant in charge of the Local Fund Dispensary at Chellakere to render

Sub & (i) Dft. dd. 31-8-07

medical and to a large number of patients that go to Vaikanthatte from neighbouring villages, which are said to be very very unhealthy. I understand that, while no appreciable good is gained by patients from these brief and hurried visits, the amount spent annually on account of batta etc to the Hospital Assistant comes up to more than Rs 150/- a year. It is therefore considered absolutely necessary to locate a qualified pandit at the place on the pay and allowance fixed in the Government order under reference and I feel confident that the people in these parts who mostly belong to the agricultural classes will appreciate the Ayurvedic system of treatment. As I am anxious to introduce and try the new scheme in one or two places in this District, and as a qualified pandit has applied for a place in this district, I solicit early sanction of Government to his entertainment in the Vaikanthatte village as pandit on Rs 10/- per month with effect from 1st September next. I would however suggest for the consideration of Government that the pay of the pandit may be fixed at Rs 12-1-15 by annual increment of Re 1/- as it appears to me that the

the proposed pay of Rs 10/- is not likely to attract certificated pandits to take up the appointment in outlying stations far away from their native places.

I have the honor to be,

the question of opening a Vaidyasala at Naikanhatti involving a recurring expenditure of Rs 20 per mensem or Rs 240 per annum, would under ordinary circumstances, require the consideration of the Board at the time of framing the ensuing year's budget. But as it is expected that the entertainment of the Pandit would dispense with the necessity for periodical visits of the Chellakere Hospl.
